Dear Parent/Guardian:

Zangle ParentConnection is a web-based application that you can use on any computer with Internet access and a web browser. It provides parents secured access to a wide array of information, including district, school, and classroom news; student demographics; student class schedules; attendance activity; class assignments; report forms and progress reports; unofficial transcripts; standardized testing results; and e-mail links to teachers, counselors, and school administrators.

Please fill out the form below and return it, along with your DMV-issued identification, to Kennedy's main office to begin the "Connection." Once your identification has been verified, you will be issued a password and PIN number. One password and PIN number will be issued to each contact (i.e., parent, guardian, foster parent, step-parent, caregiver, etc.). If you have any questions regarding Zangle ParentConnection, you can contact the ParentConnect Coordinator at JFK-ParentConnect@sac-city.k12.ca.us.
